## Request Description

### Short Description :

In accordance with provisions of the Freedom of Information Act , 5 U.S.C. subsection 552, we are requesting any and all documents particular to the investigation of AES Puerto Rico, LPs' coal combustion commercial product currently referred to as AGREMAX, and previously referred to as Manufactured Aggregate, or coal combustion residuals. This request includes but is not limited to, reports, letters, chemical analyses, correspondence, memoranda, transcripts, photos, videos, and any environmental monitoring assessments and environmental analyses in general conducted by or on behalf of your office in connection with your investigation.

In the event you deny release of any or all parts of the above information, we kindly request you include a citation of the specific documents denied; the specific 5 U.S.C. exemption(s) you believe are applicable to each, and; a description of the specific appeals procedure(s) available to us under law.

Please contact us regarding the appropriate fee and payment arrangements for this search and the reproduction of records.
